

STUDENT UNION QDOBA AREA  
**WALL WRAP**

THE GOAL is to update the wall wrap near Qdoba to more accurately represent the interests and style of the current Chapman University student body.

The new design of the wall wrap should be **PLAYFUL, BRIGHT, and INVITING**. We are proposing to do a postcard style graphic that read “Greetings from Chapman” and have each letter feature cartoon illustrations of recognizable traits and features of campus and student life.

The illustrations should consist of these two styles. Each Letter will have 1 main vectored illustration of an iconic Chapman location.
